Knit for Peace believe that knitting is good for people in all sorts of ways. as well as being fun and therapeutic, knitting brings people together and gives you a way of helping others in need.

Knit for Peace encourages women and men of different, often historically hostile communities to come together informally to knit (or sew or crochet). With a shared common goal, differences in race, religion or caste are irrelevant, and individuals come together to knit peacefully.

Knit for Peace also link knitters to people (and sometimes animals!) in need by finding vetted charities that work directly with those who would benefit from your knitted or crocheted items. Send your finished cowl to Knit for Peace and they will ensure that it goes to a good home.
