

Scarf pattern:

The scarf is knitted length wise.

DK wool - any scraps you have

4mm needles - circular to fit so many stitches, but it is not knitted as a round.

Cast on 280 stitches and work about 7" in garter stitch. You can make the scarf wider or narrower by adding or reducing the 7".

Knit each row in a different colour and leave approx 4" of yarn at each end to tie into tassles. No sewing in ends to do!!

Happy knitting!
